SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicant respectfully submits this Supplemental Information Disclosure Statement to cite references that became known to applicant as a result of a Decision to Grant from the Russian Patent Office, related to the prosecution of a corresponding Russian patent application. This Decision to Grant by the Russian Patent Office, dated March 27, 2009, cites four references, namely U.S. Patent No. 5,479,983 ("U.S. '983"); European Application No. 0131888A2 ("EP '888"); Great Britain Patent No. 1383705 "UK '705"); and SU Patent 304186A1 ("Soviet '186"). Other than U.S. '983, which is already of record, these references are listed on the accompanying Form PTO/SB/08a.

Applicant has also listed on the Form the English language translation of the Russian Decision to Grant, and a copy of the English Language Russian Decision to Grant is enclosed. For each of the EP '888 and the Soviet '186 reference, no English language translation is within the possession, custody, or control of applicant, nor readily available to applicant. Nonetheless, the EP '888 includes an English-language Abstract, which supplies a concise explanation of its relevance. For the Soviet '186 reference, applicant supplies this concise explanation of its relevance, as presently understood: Soviet '186 was cited by the Russian Patent Office in a Decision to Grant the corresponding Russian patent, but the Russian Patent Office apparently did not believe that it negated patentability.

Applicant respectfully requests that these references be considered and made of record in this file. Applicant respectfully asserts that a \$180 fee is being paid via credit card. If any additional fee is necessary to complete this communication, the Commissioner should consider this to be a request for such and should charge any necessary fees to Deposit Account No. 23-3000.

Respectfully submitted,
WOOD, HERRON & EVANS, L.L.P.
